Larimer County Santa Cops consists of representatives from Larimer County Sheriff's Office, Fort Collins Police Services, Loveland Police Department, Colorado State Patrol, Larimer County District Attorney's Office, and Colorado State University Police.

The focus of the tournament is to raise money for underprivileged families of Larimer County. Santa Cops uses the funds to provide gifts for those underprivileged families and their children during the holiday season.

Last year, through the kind and generous donations of our community, Santa Cops was able to provide gifts for over 4500 children throughout Larimer County.
